2021 SONOMA CABERNET SAUVIGNON

Wine Profile

Inky-blue with bright aromas of black cherry, eucalyptus, toasted cedar, espresso and leather, the 2021 RIDE Sonoma County bursts from the glass and explodes on the palette with ripe blue/black fruits, candied violets and sweet, round tannins. It's a bold and delicious Cabernet Sauvignon that flexes with big aromas and flavors while finishing with an elegance uncommon for a wine at this price point.

JEB DUNNUCK 93 pts

Lots of cassis, classy oak, spice, camphor, and hints of chocolate all emerge from the 2021 Cabernet Sauvignon Sonoma County, a medium to full-bodied, juicy, classic Sonoma Cabernet delivering ripe tannins, plenty of fruit and opulence, and outstanding length. Drink this brilliant 2021 over the coming 10-12 years, and this could merit an even higher rating with 2-3 years of bottle age.
